

Exporting Workshop to be Held

A workshop on exporting will be held at 6:30 p.m. August 2 at the Extension Office, 200 East Market Street in Bolivar. It will be sponsored by the University of Tennessee/Tennessee State University Hardeman County Extension Service. The overall goal of the workshop will be to disseminate export related information (rules and regulations), including World Trade Organization regulations for Tennessee's small-to-medium sized agribusinesses. Topics to be covered will include the importance of agricultural exports to Tennessee and US farmers and consumers, basics of exporting, entering the market, and sources of export assistance.

Dr. Surendra Singh, Graduate Coordinator at TSU Department of Ag. Sciences and Dr. Sam Comer, Assistant Professor, Ag. Sciences, will present the program.

The public is invited to attend. For further information, contact Lee Sammons at the Hardeman County Extension Office at 658-2421.
